The UT Health Science Center San Antonio School of Medicine is accredited by the **Accreditation Council for Continuing Medical Education (ACCME)** to provide continuing medical education for physicians. The UT Health Science Center San Antonio School of Medicine designates this live activity up to a maximum of **1.0 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The **American Academy of Physician Assistants (AAPA)**, **American Academy of Nurse Practitioners (AANP)** and the **American Nurses Credentialing Center (ANCC)** accepts certificates of participation for educational activities certified for **AMA PRA Category 1 Credit™** from organizations accredited by the ACCME. Healthcare professionals receiving a certificate of attendance should consult with their licensing board for information on applicability and acceptance.

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn **1 MOC point in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program**. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

-This activity contributes to the patient safety CME requirement for Part II: Lifelong Learning and Self-Assessment of the **American Board of Anesthesiology's (ABA) redesigned Maintenance of Certification in Anesthesiology Program® (MOCA®)**, known as **MOCA 2.0®**. Please consult the ABA website, [www.theABA.org](http://www.theABA.org), for a list of all MOCA 2.0 requirements.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **1 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program**. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
